LOCATION

The school is basically surrounded by playground / greenspaces, Rundelwood Drive at the front of the school and Rundelhill Drive to the north. Dr. Gordon Higgins and St Rupert schools are to the northwest. The playground zone / school zone is extensive as the 3 schools share common playgrounds. Speed limit throughout is 30 kmph.

Of Note: **Rundelwood Drive** directly in front of the school is a no stopping zone to allow a safe area for the school busses to load and unload children and is **clearly posted**. Please respect this area and the supervisors who are out on a regular basis to make sure the children are safe.

Crosswalks have a minimum distance for stopping/parking of 5 meters unless otherwise posted.

U-turns in front of the school are prohibited and place your children and others in serious danger!

REMEMBER: The safety of all is paramount!
