- Respect 
- Courage 
- Honesty 
- Wisdom 
- Humility 
- Truth 

# Truth and Reconciliation Commitment

Commitment to  
Truth and Reconciliation

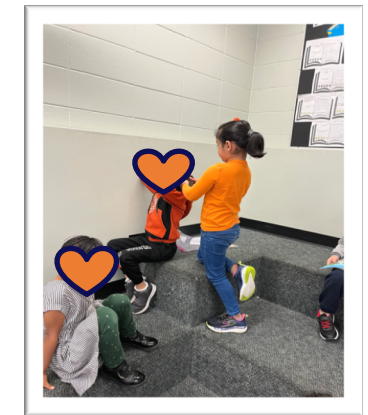

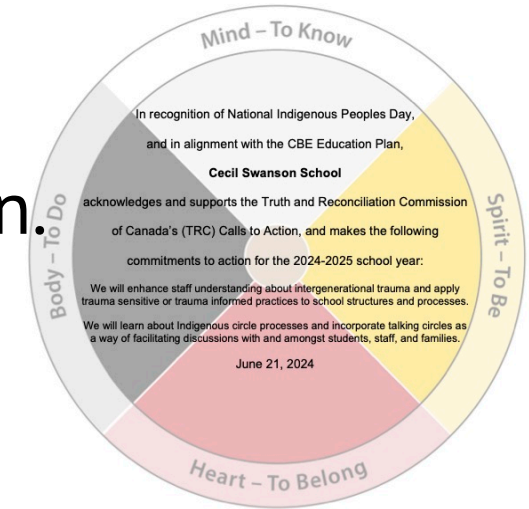

All CBE Schools make and renew an annual commitment to Truth and Reconciliation based on the 97 Calls to Action.

Our TRC Commitment this year was:

*To learn about Indigenous circle processes and incorporate talking circles as a way of facilitating discussions with and amongst students, staff, and families.*

*To enhance staff understanding about intergenerational trauma and apply trauma sensitive or trauma informed practices to school structures and processes.*

# Kindergarten Hours

- Kindergarten has its own school calendar – Times below are not approved yet and are tentative.
  - **AM Regular Hours:** 8:05-11:00
  - **PM Regular Hours** 11:50-2:40
  - We must ensure AM and PM class sizes are equitable
  - We do our best to give families their choice of AM/PM classes
  - You'll receive a confirmation email with your AM/PM class prior to end of June.

# Staggered Entry

- Not all kindergarten students will start on the same day.
- A staggered entry allows the staff to give each student more attention on their first few days with a smaller number of students.
- Your welcome email will contain your staggered entry group and the schedule is on the Kindergarten Calendar.

# PowerSchool

This team may consist of:

Education Assistants or Early Childhood Practitioners

Early Learning Strategists

Speech-Language Pathologists (SLPs)

Psychologists

Occupational Therapists (OTs)

Physiotherapists (PTs)

# School Policies

- Any medical concerns need to be communicated to the Main Office and you will need to fill out a 'Student Health Plan' to ensure your child gets the specific care they require in the case of an emergency.
- If your child has an epi-pen or inhaler, they will need to always have access to it. Please let the teacher know where they can be found in your child's backpack.

- Nut Aware
  - Students can bring nut products to eat for snack, keeping in mind they may need to sit at a separate table if there are allergies in the classroom

# Learning Through **PLAY**

*“Research shows that children who engage in complex forms of socio-dramatic play have greater language skills than non-players, better social skills, more empathy, more imagination, and more of the subtle capacity to know what others mean. They are less aggressive and show more self-control and higher levels of thinking”*

# Learning Through **PLAY**

More than just skill building or practicing for the world we will grow into, play is the primary way which children manipulate new information, fit it into existing schema or create new ones and then adjust their understanding accordingly.
